OFFICE OF THE SUPERINTENDENT,
GOVERNMENT PRINTING IN MYSORE,

Bangalore dated, 25th July 1924.

Dear Sir,

I find that the Government Orders appearing in Part I of the Blue Book and Publicity Journal have all been previously printed in the Government Press either in the Gazette or in the Proceedings. If you could only arrange with the General Miscellaneous Branch of the Secretariat who transmits these orders to the Press to have them sent through your office where such of the orders as are to appear in the Publicity Journal may be conveniently indicated in the same way as those that are to appear in the Gazette are indicated by the respective branches, I can easily arrange to keep such matter standing and overrun it to book-size and print off in the Blue Book Journal without the necessity of recomposing. This will effect considerable savings in the cost of composing and also in time which are valuable items both in the interests of the Press and the timely publication of the monthly Journal. As it is, we set up all matters going into Part I once again which means much additional cost and unnecessary loss of time .

I hope you will kindly give your careful consideration to this matter and make the necessary arrangements early.

Yours sincerely,

B. Puttaiya
